We went over some of the accounts that we looked at in the last meeting and made some changes and asked that some things be looked up.

Stringer asked to go over the wages and brought a comparison sheet of other townships and asked for some changes to be made. Things were discussed and a list of requests was made to take to the board meeting on February 6, 2019. Keiser has stated that for next year we should get a comparison on wages from the MTA.

Also for meeting on February 6, we need to discuss amount for the snowmobile club to help with costs to renovate the bathrooms.

Our February 6 meeting will start at 6:30 with a Public Hearing for Independence Village.

We need to set dates and times for February budget meeting and Employee meeting.
